Senator Hardt
Highway

August 1997- August 2006
Highway 60 to Roosevelt Dam

Please join us as we celebrate the completion of the final phase of Senator Hardt Highway (State Route 188) improvements. This \$10 million, year-long SR188 Wheatfields Improvement Project was made possible through the partnership and cooperation of many groups and individuals – including the community and traveling public, the Arizona Department of Transportation and FNF Construction. The Wheatfields project is the final phase of a nine-year effort to create a safer highway and improved route to Roosevelt Lake.
